

3 February 2016

Approved by DNV GL

Hendrik Veder Group has been approved by DNV GL as supplier for independent testing and certifying of steel wire ropes and fibre ropes

As an approved supplier, Hendrik Veder Group may independently assemble and test a wide range of steel wire ropes and fibre ropes according to EN 13414 and EN 12385. Hendrik Veder Group is also approved to issue 3.2 sub-certificates using DNV GL's certificate forms LA4 (steel wire rope) and F497 (fibre rope).

For questions or more information about this DNV GL Type Approval, please contact your regular contact person at Hendrik Veder Group.
